ENCLOSURE.

9th July, 1925.

Dear Sir,

A. I think it well to enclose herewith a copy of a letter which I have to-day addressed to the Society's Surveyor at Lisbon, respecting the survey held at that port on the steamer "AMARANTE", with a view to classification with this Society, from which you will see that the Lisbon Surveyor has been requested to include in his account to the Owners the amount of your expenses in visiting that port from the 23rd to the 31st May last.

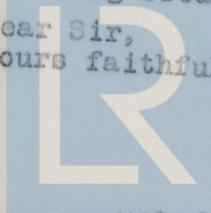

I have at the same time to enquire whether you discussed with the Lisbon Surveyor the question of the fee to be charged for the survey of this vessel, and if any arrangement was made for a proportion to be credited for your services.

I think it well to add that in any future cases in which you may be required to join the local Surveyor in the survey of a vessel, you should advise the Surveyor of the expenses incurred by you in connexion with such visits so that they may be included in the account when rendered to the Owners, such expenses, of course, on payment, being credited to your port.

I am, Dear Sir,  
Yours faithfully,

W. B. Engledow, Esq.,

BILBAO.
