Dear Sir,

In reply to yours of June 24th. re S.S. "AMARANTE" a copy of letter dated the 10th instant addressed to Mr. Engledow was received at this office, but I have to trouble you for a copy of my letter of the 19th instant mentioned therein which I regret to say was not copied before posting.

I may add that the work on the vessels of this Company i.e. Sociedade Geral Comercio Industria e Transportes, Ltd. is progressing very slowly as owing to crisis, staff has been much reduced on all vessels; one Captain and one Chief Engineer has to look after two boats now instead of one. The same remarks apply to repairing staff.

I am, Dear Sir,

Yours faithfully,
