Dear Sir,

I have just received the enclosed plans for the S.S. "AMARANTE"

thus:-

4 plans

- Longitudinal elevation
- Decks
- Midship section
- Boilers.

for examination, as owners, Messrs. Sociedade Geral do Comercio, Industria e Transportes, Ltd^a wish the vessel classed with the Society. I have examined the vessel as cleaning proceeded and she is being very thoroughly overhauled and not expected ready for being put into commission before June or so.

Owners are the same as for "COSTEIRO" "GAZA" "INHAMBANE" MARIA AMELIA "MARIA CRISTINA" "MELLO" "PINHEL" and "SILVA GOUVEIA" seven of which are classed with the Society and remaining two viz:- "AMARANTE" & "MARIA AMELIA" submitted for classification.

I am, Dear Sir,

Yours faithfully,

re letter
Andrew Scott, Esq.,
Secretary,
LONDON.

P.S. I also inclose 2 illustrative sketches because at first it appeared owners were not going to obtain plans so I proceeded to lift scantlings and made the sketches of special construction for the information of the Committee. I have already commenced filling in first entry report. I may say owing to the prohibitive cost, Messrs. Sociedade Geral are not repeating sending for plans in the case of the "MARIA AMELIA". Please inclose 12 copies of "Reg 4" with your reply.
