Dear Sirs,

Messrs. Cook, Welton & Gemmell Ltd.
Yard No. 967

Further to your letter of the 30th March forwarding Special Survey Request Form in connection with the above ship and the Authorisation of the 22nd April, I have to state that it is noted this ship is to be constructed as an exact duplicate of this Builders' Yard No. 954 "ARUM".

The plans of the earlier ship forwarded with your First Entry Report will be returned to you shortly, and provided the new ship be built in accordance with the sister ship referred to, the rules in all other respects be complied with and the materials and workmanship be to the Society's satisfaction, the ship will be eligible to be classed 100 A.1. When the plans for Yard No. 954 are returned, please endorse them with the new Yard number.

Yours faithfully,

The Surveyors,
HULL

pro Secretary.
