Dear Sirs,

S. I duly received Mr. Macdonald's letter of the 16th instant respecting Newcastle First Entry Report No. 78591 on the steamer "TACITO", and with regard thereto I think it well to forward herewith plans of the sections in way of the engine and boiler space and oil fuel and the profile and deck plan, and have to request that you will amend them in accordance with the vessel as built, in view of the statement contained in the report and Mr. Macdonald's letters of the 8th and 16th that the floors in the boiler space are spaced 2' 0" apart.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
