30th May, 1958.

Dear Sir,

m.s. "POZA RICA"

assn(S)

HWM

The case of this ship has been considered by the Committee today in conjunction with your letter of the 26th May, and I am desirous to inform you that the Owners' proposal to submit the ship to Special Survey in June or early July next has been agreed on the understanding that the inspection will be held then without fail, otherwise the vessel will lose her class.

I shall be glad if you will advise the Owners accordingly, and you should point out to them that the Continuous Survey of the Oil Engines is considerably behindhand, very few items having been seen by the Society's Surveyors since the ship was classed.

Yours faithfully,

The Secretary,  
NEW YORK.

the Classification Committee
