Dear Sir,

M. With reference to your First Entry Reports Nos. 3226 and 3227 on the Steel Tow Barges "REDHEAD" and "REDSTAR", built by Messrs. Canadian Vickers, Ltd., I shall be glad if you will state whether the equipment of anchors and cables is correctly reported for these vessels, in view of the equipment shewn on the approved plan.

It is concluded the decks and bulkheads have been hose tested in each case, as required, but I shall be glad if you will state if this is so.

I am, Dear Sir,

Yours faithfully,

Secretary.

G. Allan, Esq.,

MONTREAL.

P.S. I shall be glad to receive an early reply, with a view to the classification of the vessels.
