26th September, 1962

Dear Sirs,

M.S. "WING ON"

In reply to your letter of the 17th September, I have to say that the Committee are agreeable to a General Examination being held in dry dock with a view to the postponement of the Special Survey.

In view of the age of this ship, it will be necessary for the General Examination to be held before the end of November next, and the period of postponement granted for the Special Survey will be dependent upon the condition of the ship as found and reported upon at the General Examination.

The Continuous Survey of the machinery should be advanced at the General Examination by the inspection of some of the long outstanding items shown on the enclosed list.

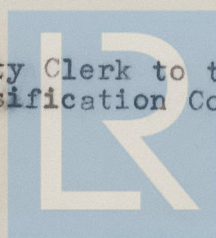

I shall be glad if you will inform the Owners accordingly, and advise me of the arrangements made for the General Examination to be held.

Yours faithfully,

Deputy Clerk to the
Classification Committee

The Surveyors,

SINGAPORE
