Load Line Certificate

For Vessels of the Great Lakes

Issued under the authority of the
Department of Commerce, United States of America,
under the provisions of the Coastwise Load Line Act of August 27, 1935
to establish load lines for American vessels of 150 gross tons or over when
engaged in trade on the Great Lakes of North America.

Name of Ship M. S. "MARTHA E. ALLEN"

Certificate No. 263

Official Number 227895

Gross Tonnage 2935

Port of Registry MILWAUKEE, WIS.

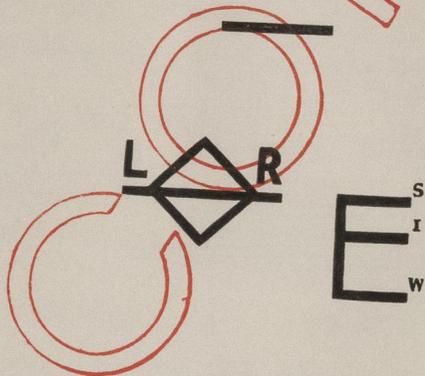

Freeboard from Deck Line

Load Line

Season	Freeboard (feet)	Freeboard (inches)	Load Line	Position (inches below)
Summer	<u>1</u>	<u>7-3/4</u>	S	Upper edge of line through center of diamond
Intermediate	<u>2</u>	<u>0</u>	I	<u>4-1/4</u> inches below S
Winter	<u>2</u>	<u>4-1/4</u>	W	<u>8-1/2</u> inches below S

All measurements are to the upper edges of the respective horizontal lines.

The upper edge of the deck line from which these freeboards are measured is _____ inches above the top of the Steel deck at side.

THIS IS TO CERTIFY that this ship has been surveyed and the freeboards and load lines shown above have been found to be correctly marked upon the vessel in manner and location as provided by the Load Line regulations of the Department of Commerce applicable to the Great Lakes.

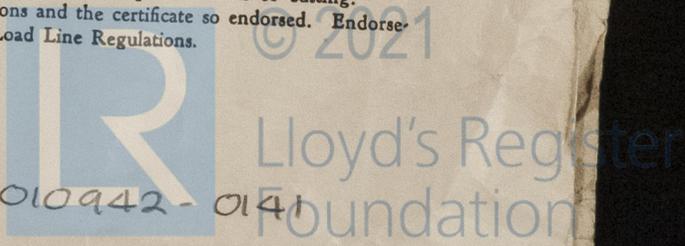

*This certificate remains in force until 31st October, 1940

Issued at New York on the 1st day of April, 1937

(signed) _____
PRINCIPAL SURVEYOR.

(signed) ROBERT HAIG
CHAIRMAN OF THE AMERICAN COMMITTEE.

Note:—In accordance with the Great Lakes Load Line Regulations the diamond and lines must be permanently marked by center punch marks or cutting.
*Upon the expiration of the certificate renewal must be obtained as provided by the Great Lakes Load Line Regulations and the certificate so endorsed. Endorsement should also be made in the spaces provided on the occasion of each annual inspection required by the Great Lakes Load Line Regulations.

NOTES

- The periods during which the seasonal load lines apply are as follows:
 Summer:—From May 16th to September 15th.
 Intermediate:—From April 16th to May 15th and from September 16th to October 31st.
 Winter:—From November 1st to April 15th of the following year.
- This Load Line Certificate will be canceled by the Department of Commerce if—
 - The periodic inspections have not been carried out.
 - Material alterations have been made to the hull or superstructures which would affect the calculations determining the position of the load lines.
 - The fittings and appliances for the protection of the openings, guard rails, freeing ports, or the means of access to the crew's quarters have not been maintained in as effective a condition as they were when the Certificate was issued.
- When this Certificate has expired or been canceled, it must be delivered to the Assigning Authority.
