MARTHA E. ALLEN

Cleveland. 430.

It is submitted that
this vessel is eligible for
RECORD.

+ dmc 10.28

OIL ENGINES 4 S.C. S.A.

12 cy. 18 1/8 - 35 7/16.

O.G. D.B. 150 lbs.

N.H.P. 380.

WORKS POOR. AMS.

It is concluded that the pumping
arrangements are in accordance
with the Rules & that the Doukey Boiler
was tested to 275 lbs, not 225 lbs as
reported, but the Surveyor should be
requested to state if this is so & to forward
a plan of the bilge pumping
arrangements as fitted.
