

E X T R A C T from Rot. Classing Letter d'd. 25.11.55.

40220 "GILIGENTENG" This ship has today been classed #100A1 together with the various notations as recommended by you. I shall be glad if you will furnish the extreme breadth of the ship and rise of floor (see Circular No. 2051) and forging and casting certificates. At the same time please confirm that the diameter of the chain cable supplied is $1\frac{11}{16}$ " and not $1\frac{1}{16}$ " as reported.
