71, Fenchurch Street, E.C. 3.

28th October, 1930.

Dear Sirs,

E. I have to confirm the conversations with your goodselves today by telephone respecting Dusseldorf Report No.46 on the Engines for The Hong Kong & Whampoa Dock Co's Yard No.681, and much regret that owing to the report having been mislaid it was not sent to the Society's Surveyors at Hong Kong until the 14th instant.

As desired, by your goodselves, I cabled to the Society's Surveyors at Hong Kong today informing them that the report has been despatched on the 14th instant to them, and that it was satisfactory.

I also requested them to inform the Builders accordingly.

I am, Dear Sirs,

Yours faithfully,

Messrs. Motorenfabriek Deutz A.G.,  
KÖLN-DEUTZ,

Secretary.
