

M.S's. BAHR NAGASH & "ADULIS"

Mr. Minterton telephoned 10th Dec.
to say that on further consideration
it has now been decided to
entrust the examination to
Messrs. Gellatly Hankey, Lloyds
Agents at Massawa.

This decision is based
principally on the fact that
the Society has no Surveyor at
Massawa, and the expense of
a visit by the Mambasa Surveyor
would be prohibitive.
