Remarks.....  
This vessel has been laid up since January, 1949.  
In August last the Owners intimated that extensive repairs being carried out at Massawa under the supervision of Lloyd's Agents, that the Surveyor's reports would be forwarded as soon as received.  
Further enquiry was made in November, and in reply the Owners stated that the repairs had been completed according to specification and that as soon as the vessel was in a seaworthy condition they would re-enter this Office.

In reply to further enquiry the Owners now state that the condition is unchanged.
