

CERTIFICATE OF SEAWORTHINESS  
-----

I certify that the temporary hull repairs to the  
M/V 'BAHR NAGASH' as described in my report have been  
completed satisfactorily, and I conscientiously believe  
that the vessel is sea-worthy and may proceed on her  
voyage to Massawa.

C. COOPER

B.O.T. MARINE ENGINEER.

Port Sudan, 29th December, 1947.
