J.C. Campbell Esq.,  
Clifford Street,  
New Bond Street  
LONDON.

Dear Sir,

"BAHR NAGASH"

Late last evening we received a cablegram from Port Sudan stating that she had arrived there and was leaking in the vicinity of Port "A" Frame, and that survey was being arranged; this is all the information we presently have but no doubt this has also been passed to the Owners at Addis Ababa.

Yours faithfully,  
for HENRY ABRAM LIMITED
