J. DE WOLF

SHIP & ENGINEER SURVEYOR

Ref. S. Dear Sir,

"BAHR NAGASH"

With reference to my air mail letter of the 29th December last, I have to inform you that an Interim Certificate was requested in connection with the temporary repairs to holed bottom plating in way of No7 Side Tank (s.s).

I presumed the ship to be already classed and issued a Certificate as per copy enclosed.

Report No 3747 is herewith forwarded and in view of the contents of your letter of the 21st November no fees or expenses were charged for the services rendered.

I am, Dear Sir,  
Yours faithfully,

The Secretary,  
London.
