Enclosures.

21st November, 1947.

Dear Sir,

I enclose a copy of a communication which has recently been received from the Society's Surveyors at Glasgow respecting the Motorship "BAHR NAGASH" and shall be glad if you will make the necessary arrangements in regard to the examination of the vessel on her arrival in the Red Sea area.

You will appreciate that this case is similar to that of the "ANULIS" which has been the subject of recent correspondence, with the difference that the "BAHR NAGASH" has experienced no deflection as observed on the trial trip of the sister vessel.

A separate letter is enclosed dealing with Load Line.

I have to add that no fee or expenses should be charged for the contemplated examination.

Yours faithfully,

Copy filed.

Clerk to the
Classification Committee.
