

COPY OF AIR LETTER

15th July, 1949.

Reference: H & F

Dear Sir,

S.S. "TOAS"

I am in receipt of your letter of the 1st instant with its enclosure, and with regard thereto, I think it well to explain that a decision is still awaited from the Owners of the vessel as to her future employment. At the same time I shall be glad if you will advise the Acting Surveyor at Curacao that the Committee are prepared to sympathetically consider the short postponement desired. The vessel's Load Line Certificate will expire on the 31st proximo, and a satisfactory inspection of the vessel for extension of the Certificate would be required.

A further communication will be sent to you when the Owners' final decision is known.

Yours faithfully,

Clerk to the
Classification Committee.

Principal Surveyor,
NEW YORK.
