Dear Sir:

S/S TOAS

With reference to Curacao report No. 3126 on the above named vessel, wherein it is recommended that the combustion chambers of the port and starboard boilers be renewed next Boiler Survey 7-49, I have now been approached by the owners of this vessel with the request that drydocking, Annual Load Line Survey, Boiler Survey and renewal of the combustion chambers be postponed for another three months.

Your advice in this case is awaited and will be forwarded to the owners of this vessel.

Yours very truly,

/s/ J. SOFFREE  
Acting Surveyor
