

" Service Sheet V.1 "

REPORT on the

It is submitted the Rouse Surveyor be requested to state if he is correct in giving the name of the registered owners as "Anglo Saxon" in view of the vessel being registered at Havre. He should also state if he is correct in giving the gross tonnage as 500 as it would appear that this should be about 310 to 320 tons. <sup>Surveyor should state the draught given on the Builders displacement scale.</sup> On receipt of the corrected information the freeboard certificates will be issued.
