Reference

Dear Sir,

tug "LYNCH". 21526. in Register Book.

Enclosed please find a letter from the Owners requesting withdrawal of the vessel's Class.

Upon receipt of this letter, we visited the Company's Senior Director and were informed that although the Special Survey would not be due until 11,65, the vessel's age and limited usefulness to the Company did not warrant maintenance in Class when, in fact, economies were necessary at the present time.

A further letter from the Owners concerning Continuous Survey (M) of the other tugs in the fleet is enclosed.

2 X
The Secretary,
LONDON.

Yours faithfully,
The Surveyors,
