Reference

Dear Sir,

I wish to refer to the case of the Steam Trawler "DINAS", which was submitted to the Liverpool Classing Committee at their Meeting this morning, when a record of "Deferred for S.S. by 4,54" was assigned.

A letter was received from the Owners asking for postponement of the S.S. until April next year at the same time as the vessel was on the slipway. There was not time therefore, to get confirmation from London that the Committee would be agreeable, and in the circumstances Mr. Newton telephoned and spoke to Mr. Sladden about the case.

Yours faithfully,

*A. H. Hancock*

Secretary to the  
Liverpool Committee.

The Secretary,  
LONDON.
