Dear Sir,

M.S. "GLORY"

Reverting to our letter of 21st July and your reply of 27th July, 1962, regarding the General Examination of the above vessel; due to the vessel's cargo commitments, the Owners have decided not to proceed with the General Examination at this time. However, the Continuous Survey of the machinery was advanced at this time by the examination of the port main engine No.5 unit and starboard main engine No.6 top and bottom ends.

Yours faithfully,

The Secretary,
LONDON.
