ALL COMMUNICATIONS TO BE ADDRESSED TO THE GENERAL MANAGER

12th, May 1932.

The Secretary,  
Lloyd's Register of Shipping,  
201, Tower Building,  
LIVERPOOL.

Dear Sir,

In reply to your letter of the 11th instant, with reference to the shafting of the s.s. "PERCH ROCK" - I beg to advise you that it is not the intention of the Corporation to retain this vessel under the classification of your Society, which was granted to her during construction, and that the necessity for the survey of the screwshafts which become due at the end of last month by your Surveyors, does not therefore arise.

Yours faithfully,

GENERAL MANAGER.
