

- FIRST ENTRY REPORT ON INTERNAL COMBUSTION MACHINERY -

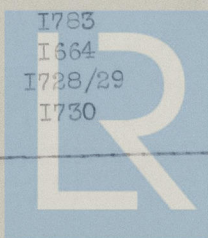

" L A S I E R R A "

Documents accompanying the report :-

- All approved plans = see list accompanying report No. I287I - "La Estancia" -
- Reports for generator engines = First Entry Report on auxiliary Internal Combustion Engines Manchester No. 2I6.
- Reports on boilers =  
 Report on boilers (5b) Leith No.24703 for donkey boiler  
 Report on boilers (5b) Marseilles No. 3931 for exhaust gas boiler and steam drum.
- Forging certificates for all principal forgings =
- intermediate shafts :- see certificate No. I245 Par. (2 screwshafts for ctions I340-I34I) accompanying report No. I287I,-
- screw shafts :- certificate No. I29I Par.
- Certificates for bronze or steel propellers = One brass propeller - certificate No. I770 Le Havre.
- Certificates for all essential auxiliaries =

Pump	I34I	I343	Certificate No.	Port
I Diesel Oil transfer	X		I66I	Le Havre
I Fuel Oil transfer	X	X	I700/I70I	Le Havre
I Oil fuel feed	X		I662	La Havre
2 Lubricating Oil	X		I474	Paris
2 Cooling fuel valves	X		I472	Paris
I Ballast Service	X		I454	Paris
2 Bilge and Fire	X		I480	Paris
I Cooling water fore auxiliaries engines.	X		I408	Paris

Coolers	Certificate No.	Port
I Shell and tube type oil cooler	I783	Le Havre
I " " " " " " " " " "	I664	Le Havre
2 " " " " " " " " " " fresh water cooler	I728/29	Le Havre
I " " " " " " " " " " oil cooler	I730	Le Havre

Certificates for all essential auxiliaries :- (Cont'd)

	Certificate No.	Port
I Fresh water heat exchanger for generating plant. Makers serial.	I339	Paris
I Steering gear No. N.G. 7549/50	7456	Greenock
2 Air compressors type 2 TM6	D.I4443	Southampton
I Evaporator assembly.	D.I4476	Valenciennes
	2389	

Advice notes for principal steel castings :-

2 stern tubes (2340/4I) - Msl No. I60I -

Advice note for tubes for steel steam and feed pipes and for boiler tubes :-

Boiler tubes :- see certificate No. S.C. 559 - Saarbrücken accompanying report No. I2872 Marseilles -

Advice note for steel plates for boilers, air receivers and other pressure vessels :-

Steel plates for boilers :- see advice note (USINOR, Denain) accompanying report No. I2872 Marseilles.

Certificate for air receivers :-

2 air receivers capacity 8 m<sup>3</sup> (see Certificate No. 870 Nantes).

Report on ELECTRICAL EQUIPMENT "LA SIERRA" =

Documents accompanying the report :-

Certificates	No.	Port
Three generators	31019	Nottingham
One main switchboard	I567	Paris
50 electric motor starters	I543	Paris
Asbestos silicone single conductor electric cables	I432	Paris

Report on BOILERS "LA SIERRA"

Certificates	No.	Port
8 dished ends 900 mm	2362	Valenciennes
12 " " " " 650 mm	2618	Valenciennes
4 marine type double safety valves	I325	Rouen
2 boiler feed check valves	I327	Rouen
