Dear Sir,

Tug "FLYING SPITFIRE"

A fresh Interim Certificate was issued to the Owners on the 17th May containing the amended condition of class detailed in your letter of the 13th instant.

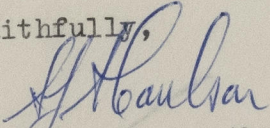

The Owners have now pointed out that this amended certificate is not strictly correct as the sternframe was not renewed above and below the boss, but that these parts were removed, faired and refitted and welded back in place.

In these circumstances it is suggested that the condition of class should now read as follows:-

"subject to the sternframe (E.W. above below boss 3,60) etc."

If you are in agreement with this will you kindly arrange for the Rpt.8 to be amended accordingly. A fresh Interim Certificate will be issued on receipt of your reply.

Yours faithfully,

*for*   
Secretary to the  
Scottish Committee.

The Secretary,  
LONDON.
