QUESTION

ANSWER

With reference to your memorandum of the 22nd July last, I shall be glad to learn whether this vessel is still laid up.

You will observe that the Screwshaft Survey became due at the end of November and the Special Survey at the end of last month.

Date:— 21st January, 1955

The Agents state that the vessel is still "laid up" in the River Fal and at present there are no instructions as to future movements.

It is noted that the SS and TS are now overdue.
