

Motor Tanker "ELDAREN"Built 1938

This ship became due for Special Survey in April, 1959 and has been laid up since January, 1959.

The Committee have qualified the class by the assignment of the notation "Laid up - Surveys overdue 4,59"

In view of the fact that by the time the next edition of the Register Book has been re-printed and issued, more than eight years will have elapsed since the ship was last specially surveyed, it is submitted that the class be omitted from the forthcoming re-print of the Register Book and the notation "Classed LR until 4,59" be recorded in lieu thereof.
