QUESTION

ANSWER

With reference to my letter of the 11th May, 1960 and previous correspondence, I shall be glad if you will confirm that this ship is still laid up.

I think it well to add that in addition to the surveys previously pointed out as overdue, the Screwshaft Survey became due in February, 1960 and it will be appreciated if you will draw the Owners' attention to this inspection.

Date:— 12th July, 1961.

This vessel is still laid up.

The Owners' attention has been drawn to the fact that the Screwshaft Survey became due in February, 1960.
