 No. 101-30 + Line 5.30 Port of Registry Glasgow  
TS 5.30 cr.  
 Due Boiler Survey due April, 1932.

In May last the Calcutta Surveyors stated that surveys due on certain small craft owned by the Madras Government would be carried out together in order to save travelling expenses and that it was anticipated these inspections would be carried out in the near future.

The Surveyors now write that the Boiler Survey of this vessel will be carried out with those on the other Madras Government small craft.
