

"Monarch of Bermuda"

"Queen of Bermuda"

Capt Isdale has telephoned stating that the owners
are the draught of each of the above vessels to be increased
to 29'-4" summer extreme.

It is submitted the C. S. S. Dept. be informed &
requested to state if the draughts are suitable.
Midship section profile & deck plans should be sent for
reference. They should be reminded that the above
vessels were considered by them for increases of draught
to 28'-4" summer extreme on 13th January 1943 and
14th May 1943 respectively.
