Reference

Dear Sir,

"NEW AUSTRALIA".

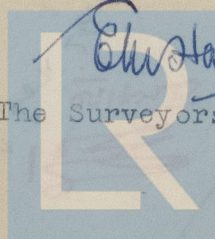

Southampton Report No. 20502.

With reference to the AS(P) at present being progressed, we have to inform you that No. 7 Double Bottom Centre Fresh Water tank was tested by water pressure in November 1950 and we regret that this item was omitted from the Report 8 and the interim Certificate covering part of the AS(P) carried out at that time. However this was shown on the schedule for Survey forwarded to you on the 4th December and we will be pleased if you will note this on the Report 8 No. 20502, as we have done on our copy.

We are, Dear Sir,  
Yours faithfully,

The Secretary,  
LONDON.
