Ans. ....

Dear Sir,

"NEW AUSTRALIA". Report No. 20458.

With reference to your classing letter of the 23rd instant, it is confirmed that the size of  $2\frac{7}{8}$ " diameter for chain cable is the worn size and this cable has been satisfactorily fitted over the cable lifters and will be renewed when worn to the minimum Rule requirements for  $3.1/16$ " diameter cable.

We are, Dear Sir,  
Yours faithfully,

*E. Hart*
