Dear Sirs,

Classn.

I duly received your letter of the 25th ultimo and have to say that the fees suggested in this case are in order with the exception of the hull repair fee which it is considered should be increased from £650 to £800.

It is not proposed to charge any special fee for Mr. Hodgson's visit from this Office, but his expenses amounted to £3. 19. 10. and this sum should be included in your account and credited to London in due course.

Yours faithfully,

Assistant Clerk to the
