PRIVATE AND CONFIDENTIAL

16th March, 1948.

Dear Mr. Bennett,

"MONARCH OF BERMUDA"

I am in receipt of your letter of the 12th March, and in reply I have to say that we have received confirmation from the Ministry of Transport that this ship is not to be sold to the Argentine but is to be restored to a suitable condition for emigrant service to Australia.

In the circumstances, it will not be necessary to ask you to take any further action in the matter.

Yours sincerely,

P.B.

Wm. Bennett, Esq., B.Sc.,
NEW YORK.
