Enclosure

Dear Sirs,

S.S. "MONARCH OF BERMUDA"

Messrs. Furness, Withy & Co., acting on behalf of the Underwriters, recently requested that this vessel be inspected at Leith with a view to recommendations being made for her to proceed under her own power to a port in the Mediterranean.

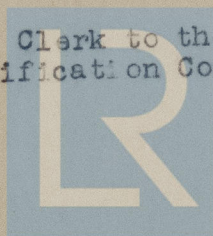

I forward herewith two copies of a communication received from Dr. Webster after a visit paid by him to the ship and shall be obliged if you will request Mr. Ripley to furnish any comments he may have to make in regard to the question of the effect of fire on the high elastic material of the topsides. A similar communication is being forwarded to Mr. Edgar.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

MIDDLESBROUGH.
