Dear Mr. Everall,

30th June, 1947.

It was very nice of you to interest yourself in the case of the "MONARCH OF BERMUDA" and we were able to submit it to the Committee on Friday last.

They gave instructions for a provisional casualty record of "Burnt - Laid up" to be assigned so that we are thus enabled to keep her particulars in the Book until a final decision is reached.

I was very sorry indeed to hear that we are losing you from the Committee but if it is, as I understand it, a prelude to retirement, I would like to offer you my best wishes for happy leisure and to thank you for the interest you took in our little sphere of operations.

Yours sincerely,

Wm. Everall, Esq.
