LLOYD'S REGISTER OF SHIPPING  
HALIFAX, N. S.

Dear Sirs:      Reference:    M/V "RUPERT BRAND II" and  
   M/V "RUPERT BRAND III"  
   Owned by British Columbia  
   Packers Ltd.

Please be advised that the main propulsion engines in these vessels, Crossley HRN-6 diesel engines, Serial Nos. 144501 and 144502 respectively are each fitted with two base explosion doors. These are fitted to the front of each engine one on either side of the crankshaft. Due to the nature of the installation they are probably not readily visible without removal of front "steps" over the generator, etc.

Yours very truly,

(signed) Willard MacKenzie.
