8th October, 1958.

(S) Dear Sirs,

Motorship" NORDELITE"

A report has been received from the Halifax Surveyors of the Reclassification Survey of this vessel.

A new auxiliary diesel engine, made at Manchester, was installed during the survey but no test certificate was available. The engine is Gardner 5 cylinder No.117525, and I shall be glad to learn if this engine was built under survey. If so you should forward a copy of your certificate to this Office.

Yours faithfully,

Assistant Clerk to the
Classification Committee.

The Surveyors,
MANCHESTER.
