# Lloyd's Register of Shipping.

(UNITED WITH THE BRITISH CORPORATION REGISTER)

M-3617

Port KOBE

19th September, 1951.

This is to Certify that

D. CURRIE

the undersigned Surveyor to this Society did at the request of Messrs. Harima Shipbuilding Works Ltd., Aioi attend at their works on the 16th May 1950 for the purpose of examining and testing (2) Fuel Oil Heaters intended for the "LIVERPOOL MARU" of Nippon Yusen K.K., Tokyo.

The covers and bodies of these heaters have been tested by hydraulic pressure to 32 & 28 kgs. per sq. cm. respectively, and found sound and tight.

For identification purposes the heaters have been stamped as follows:-

<u>Body</u>	<u>Cover</u>
LLOYD'S TEST W.T.P. 32 Kgs./cm <sup>2</sup> DC IR 16-5-50	LLOYD'S TEST W.T.P. 28 kgs./cm <sup>2</sup> DC IR 16-5-50

*D. Currie*  
Surveyor to Lloyd's Register  
of Shipping

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:-  
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or for any error of judgment, default or negligence of any Member of the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any Member of the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any Member of the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any Member of the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any Member of the Register Book or other publication of the Society.
