NSP

Secretary,

London.

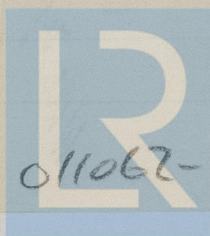

Sir,

The steamer "Petrella", $\frac{475}{163}$ tons, of London, G.N. 142383, is in dry dock at Passage West and as there is an opportunity for examining the bottom of the vessel I shall be obliged if you will let me know by telegram, or by post, whether she is classed in the Society's Register Book.

I am, Dear Sir,

Yours faithfully,

Herbert N. Dove
