# Lloyd's Register of Shipping.

Port BOMBAY.

13th JULY 1946.

This is to Certify that I have

surveyed the Boiler and Machinery of the Steel Screw Steamer

1043 tons gross of Glasgow on December 20th 1940 and  
subsequently whilst the vessel lay afloat and in Herewether

Re-classification L.M.C. & T.S.

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
commendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
recommended that the record of

made in the Register Book in the case of this vessel.

T.H. NIEL

Engineer Surveyor to Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
the Committee use their best endeavours to ensure that the functions of the Society are properly  
to be understood that neither the Committee nor the Society are under any circumstances whatever  
responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in  
the Register Book or other publication of the Society, or for any error of judgment, default, or  
the Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
