Dear Sirs,

Motor Tanker "TANK I"

EJB

The class of this ship is qualified by the notation "Laid up - Surveys overdue", but in August last the Society's Surveyors at Oslo were authorised to issue a certificate as an Unclassed Hulk to enable the ship to proceed to Stromstad. Such certificate dated 20.8.56 was duly issued.

It was understood at that time that the vessel was to be sold, but the name of the new Owners is not known.

I shall be glad to learn whether you are able to obtain any information regarding this ship, and in particular the Owners' intentions in regard to classification.

Yours faithfully,

<sup>pre</sup> Clerk to the  
Classification Committee.

The Surveyors,  
GOTHENBURG.
