Dear Sirs,

Whaler "SUKHA"

"Surveys overdue 6.55"

It is noted that although a part Special Survey was carried out in May/August, 1960, a second four-yearly Special Survey period has elapsed since the last date of survey recorded in the Register Book, and in these circumstances the Committee feel, in the absence of any proposal in dealing with the overdue surveys, that they would not be justified in continuing the class of this ship.

They have, therefore, given instructions for a record to be made in the Register Book indicating that the class has been withdrawn, and I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
ST. JOHN'S (NEWFOUNDLAND).
