Dear Sirs,

en. (S)

Motorship "BULLINA"

This vessel, which is recorded in the Register Book with the notation "Laid up - surveys overdue", was surveyed by the Society's Surveyors at Singapore in February last, and a Certificate issued for towage to a Mediterranean port.

It is noted that the ship arrived at your port on the 27th ultimo and is now the property of Italian Owners, and I shall be glad to learn their intentions in regard to carrying out the Special Survey which became due in November, 1953.

Yours faithfully,

*c.c. Gen.*

Clerk to the  
Classification Committee.
