Owners: Union Government of South Africa
(Railways & Harbours Administration;
Port Elizabeth).

The Society's Surveyor at Port Elizabeth has forwarded a letter from the Owners' Representative stating that it is not necessary for the Administration's tugs and dredgers at Port Elizabeth to be classed with this Society, and requesting that the classes of these vessels be discontinued.

The cases received the consideration of the Classing Committee on Tuesday, 7th instant, when, in the circumstances, it was decided to give instructions for the class of each vessel to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

9th February, 1933.
