Harbour, Port Elizabeth.

January 9th, 1933.

Ans 14/1/33
Dear Sir, /

Subjoined is a copy of a letter addressed to me from the System Manager South African Railways and Harbours in connection with the classification of the Tug "LADY ELIZABETH" and Suction Dredger "ALGOA".

The General Manager states that it is not necessary for the Administration's Tugs & Dredgers at Port Elizabeth to be classed at Lloyd's and will you therefore arrange for this to be discontinued in the case of the tug "LADY ELIZABETH" and dredger "ALGOA" and advise me when this is done.

Yours faithfully,

J.W.White
System Manager.

May I add here that the only reason I can gather for this step is on the grounds of economy and curtailment of expenditure. Will you therefore please advise and enable me to reply accordingly to the System Manager.

I am, Sir,

Yours faithfully,

(Signed). H.M. Richardson
Surveyor.
