The Secretary,  
 London.

Dear Sir,

M.V. "Delfina Mitre" & "Dolores de Urquiza" ferry boats.

In reply to your classing letter dated the 9<sup>th</sup> ultimo regarding the above named ferry boats, we beg to enclose herewith two letters received at this office from the Secretary of the Local Board of Directors of the Ferrocarriles de Entre-Rios in which it is stated that they do not wish to continue the class of their ferry boats; this statement has reference to the above named motor ferries.

With reference to your request that a letter should be forwarded from the Owners requesting that the class of each vessel should be withdrawn, we think that if a further confirmation is required this might be obtained from the London Board of the F.C. de E.R. who appear to have given their decision on this matter.

We are, Dear Sir,

Yours faithfully,

The Surveyors

J. I. Adie
