The Secretary,
LONDON.

Dear Sir,

M.S. "BABINDA"

We thank you for your letter of the 7th of September 1962, C, advising us that the Committee have decided to record a Notation of "Surveys overdue 7,61" in the Register Book.

As stated in our letter of the 29th of August 1962, the Ship was withdrawn from Service without being submitted for a General Examination for further postponement of the Special Survey.

We have now received a letter from the Owners stating that they desire to relinquish the Class, and continue with the Freeboard only.

In this respect the Ship is being prepared for a Freeboard Renewal Survey, and as it would appear from the Survey Records that a drilling Survey is due, will you kindly forward by return copies of the relevant plans giving shell and deck plating thicknesses, etc: ///

Yours faithfully,

J.A. Booth
